Case # 2011-000259

I, John D. I am surrendering my above license and authorization at this time to support compliance with the Board of Nursing statute AS 08.68.270(6) Practices or attempts to practice nursing while afflicted with physical...illness, deterioration, or disability that interferes with the individual's performance of nursing functions.

I understand that as a result of this surrender, I cannot practice nursing in the State of Alaska, and will not be able to do so until I have the approval of the Board. I further understand that before my license and/or authorization to practice as a RN and/or ANP in Alaska can be reinstated, I will have to prove to the above Board that I am competent to resume practice, and am able to do so with skill and safety. If I make such request for reinstatement, and I am denied by the Board, I have the right to a Hearing, pursuant to AS 44.62, of the Administrative Procedure Act.

I am surrendering my RN license # NUR R 18425 and my ANP authorization # NUR U 515 of my own free will. I am not under the influence of any medicine or other drugs that would affect my ability to think clearly and rationally. No promises or threats have been made to me by anyone to make me sign this document.
